SPOT

*Salida-area Parks,
Open-space & Trails*

SPOT aims to promote the creation, preservation, improvement and appreciation of parks, open-space and trails in the greater Salida area.

SPOT

Since 1990, SPOT has advanced parks projects including the Alpine Park Playground Equipment Project and development of the Monarch Spur Park and the Disc Golf Course in Poncha Springs. Open-space projects have included the preservation and historic renovation of the Hutchinson Homestead & Learning Center and phase 1 of the Valley View School Project. SPOT has also been an active partner in creating safe, scenic, historic and recreational non-motorized transportation corridors. SPOT projects have helped create the Salida Trail System along the valley floor with connections throughout the County. Thanks to recent community involvement with maintenance and restoration projects, ecological diversity has been enhanced along the municipal trails and properties.
