

SALIDA TRAIL SYSTEM
Adopt-a-Trail Volunteer Agreement
2018-2019

The SPOT Adopt-a-Trail Program is a volunteer, community, stewardship program. Thank you for your commitment. Since the early 1990's, SPOT Adopt-a-Trail volunteers have been the eyes and ears for the community. Over the years trail development has continued, until today we have over 40 sections of trails within the in-town Salida-area Trail System.

In 2012, the Salida Trail Ecological Restoration Program began, in which, through the cooperation of The City of Salida, Chaffee County, SPOT, GARNA and Central Colorado Conservancy, plans have been formulated and work-days organized to remove invasive species and introduce native vegetation along the trails. As these efforts continue, projects for 2019 projects will be presented.

Volunteer service with the Salida-area Trails has and will continue to help preserve, enhance and beautify our trails for all to enjoy.
